Eagles

Greetings-

How quickly time flies! We are already moving into the third quarter and "by George, I think we've got it!" We have experienced a few changes in staffing and scheduling. We are grateful to all our volunteers for what they have poured into the children and the time spent imparting their wisdom. Wishing Ms. Shannon and Ms. Dominique an abundance of blessings as they venture into their new chapters. We hope to be able to have them back, in some capacity, in the next school year. They will be greatly missed! We understand and hold fast to the Word of God that tells us in Galatians 6:9, NIV: "Let

us **not** become **weary** in **doing** good, for at the proper time we will reap a harvest if we **do not** give up." We have no intention of giving up but continuing to raise the bar to excel in all things as Christ is in us giving us strength!

Thank you, parents, staff, volunteers, and students, for all your hard work. We are rounding third and headed home in this unprecedented, maiden 2020-2021 school year of T.H.E Academy School! We are expecting GREAT things!

In Him –

Stacie L. Taylor

Coming soon:

February reading:

The Boy Who Harnessed the Wind,
William Kamkwamba

Field Trip:

February 15, 2021

Black History Tour of Cleveland
Complete schedule coming soon.

Our original plan has been altered as the Freedom Center in Cincinnati does not have all of its exhibits open because of COVID-19. I feel no need to pay full price for the museum tour, drive 8 hours and only experience a portion of what they have to offer. Wisdom dictates that we postpone until a later time.

Fundraising:

Shoe Drive -

We will begin our annual *Shoes for Funds* drive this coming

March. So feel free to start collecting gently used and new shoes of all kinds (flip-flops, sneakers, boots, etc.)

and drop them off here at the school at any time. There is a bin in the foyer for those donations. We will be collecting until the last week in March. Our goal is to collect 3,000 pairs of shoes to donate to those communities who desperately need them.

By this everyone will
know that you are
my disciples, if you
love one another.
John 13:35

We are currently accepting applications for new student enrollment for the 2021-2022 school year as well as re-enrollment. We have decided to continue to serve the Middle school students of our community this coming school year accepting applications for grades 5-8 only. We are closing in our new location, and God-willing, will have something to announce before the summer break.
