T.H.E Newsletter Eagles

Greetings-

All thanks to our Lord and Savior Jesus Christ who has brought us this far! I am enjoying my time with the children. We are learning from each other. Please remember to keep T.H.E family in prayer as we venture this and next month to spread our wings and open registration for the 2021-2022 school year.

I love you!

Stacie L. Taylor - Head of School-

Enrollment

We are directing families to our website (thanks to Ms. Gwanna who has done an amazing job all year on our website) and encouraging them to enroll early for next school year.

Communication

Reminder - We are a family. We are also a working to build a collaborative. Teachers and parents working together to ensure our children are reaching their potential and that our teachers are supported to assist the children in reaching their academic as well as social and emotional goals.

We are all working together to care for, support and educating T.H.E children. Thank you for keeping those lines of communication open and being receptive to working together.

Cookie Dough – BACK BY POPULAR DEMAND

Now – 3/31. Cookies will be back on April 15th.

SHOE DRIVE!

We are now collecting shoes for our 2nd annual shoe drive.

Please ask your family and friends for gently worn and new shoes of all kinds to be donated to Funds4shoes as a T.H.E fundraiser.

We will be accepting shoes thru April 15th.

Our goal is over 3,000 pairs of shoes to help poor and disenfranchised communities around the world. T.H.E receives \$.40/lb. so this is can be a wonderful way for T.H.E to give back and raise funds.

Check out our website for more information on "how we help".
