

### Greetings from the Principal

Most mornings I like to sit and watch the sun come up. It's here in the quiet of the new day that I am grateful for loved ones and friends, another chance to fulfill my destiny, and seek grace to face all that lies ahead of me.

It was in this peace that overwhelming gratitude came over me. Looking at all of the chaos 2020 has brought, there has been a ray of light! As I see it, we have prospered in 2020! We are fulfilling what God has put in our spirit and dreams. Look at what we have accomplished!! We've established a strong foundation for a solid, long-lasting, thriving learning experience. We have a passionate team of instructors, an ambitious and sharp Board of Directors, and students who are growing not just intellectually but spiritually and personally.
